

# QIEM SALESLOGIX® CUSTOMERS

SalesLogix2000, supported and sold by QIEM worldwide, is a fully-integrated eCRM application suite designed for high-growth companies. The SalesLogix2000 suite consists of sales, marketing, support and eBusiness tools that can be used together, or individually, to create an Interactive Selling Network™ that streamlines prospect and customer interactions. SalesLogix2000 works on a network, laptop or via the web enabling your field sales, telesales, channel partners and support staff to sell more, faster and easier.

**Partial customer list only: More than 2,400 companies in just 3 years!**
